

## League Procedures and Gotsoccer Features

### Game Reschedules

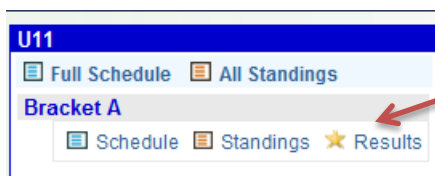

- There is no reschedule form anymore
- There is no fee for a reschedule
- Game changes can be done via e-mail. Converse with the other team and then include [cwarner@idahoyouthsoccer.org](mailto:cwarner@idahoyouthsoccer.org) on any dialog so we can help locate field space and we will also take care of notifying the referees.
- Please allow, where possible, 7 days to reschedule a game. Anything less than 7 days will result in a lesser chance of a referee being present

### Reporting Scores

- It is the duty of the referees to report the scores, however it would be of great benefit if the listed home team could call in the score to an automated system. This is not mandatory, but would be appreciated as it speeds up the reporting process. You will need the call in number, pin number and game number
- Call in-number **904-758-0875**
- Event Number **20613**
- Pin **4000**
- Game number (Check Schedule)

### Getting other game scores/standings

The D3 results will typically be updated on Monday or Tuesday, depending on how fast the scores are received from the referees. You can continue to check on the scores by clicking on the tab on the main schedule

Another great feature is to get the scores on your cell phone as soon as they are received. You can set yourself up for this by following this procedure.

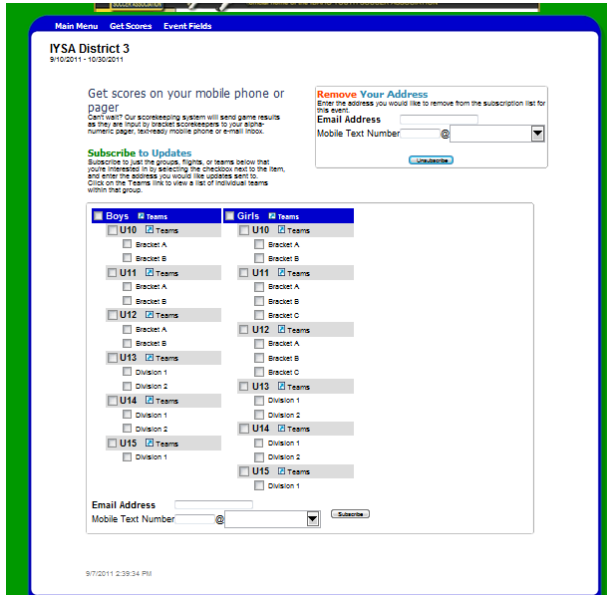

- 1) Click on the Get Scores option on the main schedule page.
