		McDonagh Park, Field 4		Nampa Premier SC	BOO Academy	

Navigate to find your game and you will see a few things. The league is listed and the home/away teams. To the left highlighted in yellow you can see whether you have a referee or not. A straight line means no one in that slot as been assigned yet OR it could mean that no one as accepted the slot. In the example below we can see that in these Outback games, one game has a center referee whist the other has none.
