IAN KNIGHTON
IKNIGHTON@BYSLSOCCER.ORG

Ian Knighton (USSF "D" License): is in his first year involved with the ODP. He started his involvement with youth soccer as an USSF and NFHS referee in 2017 and then discovered a love for coaching in 2020. Since then, he has been pursuing every educational and experiential avenue to become a better and more involved coach and currently coaches two club teams.

"I'm very excited for my first year involved in the ODP. I've been a staunch believer that building better soccer in the United States starts with building better players in the United States. That belief is embodied by the ODP and for that reason (amongst others) I'm ecstatic to be a part of it."
