Mike Pellicio has been with Idaho ODP since 2014 and the Region IV staff on the boys' side since 2016. Currently the director of coaching education and recreation for Three Rivers Soccer Club. Previously, the director of coaching of Spokane Sounders, he is also an instructor for US Soccer courses in Idaho and Washington, holds his USSF "B" License, has coached intercollegiate soccer with San Diego City

College (men) and the University of Idaho (women). As the head coach of the Spokane Shadow men's first team in the NPSL, Mike was named the Northwest Conference's coach of the year in 2018.

"Every year, I look forward to seeing individuals challenged to their maximum potential through the Olympic Development Program, whatever that potential may be. It could be improving to the point where you can hang in everyday Idaho ODP training sessions or it could be returning to the Region IV ODP team as a starting goalkeeper—whatever the needs of the player, there's a challenge around the corner to be embraced. I don't think I'll ever get tired of that element of the Olympic Development Program."
