

BRAVO 2024 STATEMENT REGARDING TRAVEL INSURANCE

Bravo Sports Tours does not provide travel or cancellation insurance or coverage for travelers as it is not a requirement for travel.

We do however strongly recommend that all families purchase travel insurance. As a convenience for our travelers, a link to GET TRAVEL INSURANCE can be found at the bottom of the registration confirmation welcome email.

While the Bravo link directs to AIG TRAVEL GUARD, a simple online search will return links to many companies that offer travel insurance. There are also many websites that compare rates and coverage between different companies. It may take a little time at your computer as you investigate the options, but it will be time well-spent to protect your travels.

The cost for coverage varies depending on the level of coverage for expenses related to:

- Trip cancellation
- Travel delays or interruption
- Lost, stolen or delayed luggage
- Medical and/or dental coverage
- Emergency services or expenses
- Illness or injury prior to departure
- Coronavirus
- and much more.

When investigating we suggest that you think about your family and what your unique needs are, and ask questions regarding what is included specifically as coverage and rates can vary greatly. Many companies even cover pre-existing conditions if travel insurance is purchased within a short period of time after your registration with the initial payment.

Below are names of a few companies that we have seen Bravo travelers purchasing in prior years.

AIG Travel Guard	https://www.travelguard.com/
Allianz Travel Assistance	https://www.allianztravelinsurance.com/
IMG Global	https://www.imglobal.com/
Nationwide	https://www.nationwide.com/
Travelex Insurance Services	https://www.travelexinsurance.com/

Additionally, some credit cards extend travel insurance to their customers if used when booking, or your local travel agent may also be a resource.
